Why Purchase Medicare Supplement Insurance?

While the federal Medicare program covers some hospital and medical costs, it does not cover them all. A Medicare supplement policy may help lower out-of-pocket costs for hospital stays, blood, and Medicare Part B eligible expenses. Some plans also assist with skilled nursing facility co-payments and Medicare Part B excess charges.

Medico Insurance Company is not connected with or endorsed by the U.S. Government or the federal Medicare program. This brochure is intended to provide a general description of the policy benefits. Policy provisions and benefits may vary from state to state. Please see the policy for details. The outline of coverage available in your state must be provided in conjunction with this brochure. For costs and further details of coverage, see your producer or write to the Company. This is a solicitation for insurance and a licensed producer may contact you.

Important Information

Exceptions and Limitations

We will NOT pay benefits for: expenses incurred for outpatient prescription drugs, other than drugs covered by Medicare Parts A and B; non-Medicare eligible expenses; services for which you are not liable or for which a charge normally is not made when there is no insurance; and any loss that occurs while this policy is not in force. We will not duplicate any benefit paid by Medicare.

30-Day Right to Return

If you are not completely satisfied with your Medicare Supplement insurance policy, just return it to us within 30 days and we will refund any premiums paid.

Suitability

Some states have specific rules regarding duplication of coverage. Most states have laws or administrative codes that prohibit a producer or insurer from recommending to a prospective buyer the purchase of any individual policy that is not suitable to the applicant. It is extremely important that the producer be aware of this suitability requirement.

Pre-Existing Conditions

Our policies do not include a limitation for pre-existing conditions.

Guaranteed Renewable - Premiums Subject to Change

We guarantee to renew your policy each time you send us the premium. The premium must be paid on or before the date it is due or during the 31 days that follow. Your policy remains in force during this time. We can change your premium only if we do the same to all policies of this form issued to persons of your class in your state.
